# NOTES

---

Subject to the Royal National Agricultural and Industrial Association of Queensland Act 1971, and to the Constitution, Rules and By-Laws of the Association & Conducted under the Rules of the Dogs Queensland. This also includes the following Regulations shall apply to Canines Section.

## REGULATIONS

1. Judging will commence at 9.00am.
2. If any Exhibitor is not present when called for any class or award the judging will proceed in his or her absence, and the exhibit declared absent.
3. Dogs entered in the respective divisions must remain **on exhibition in their allocated bench from 8.45am to 4.30pm** or as long as judging is still being conducted on the day of judging. Any Exhibitor who is unable to conform to these times and conditions should not submit an entry.

For the safety of all canine exhibits and their human owners we remind all participants that exhibits must remain on display until the Judging for the day concludes. At that time the public access doors to the pavilion will be closed and exhibits will be allowed an orderly exit. Exhibits will not be allowed to form an exit line prior to the public access doors being closed.

4. Any dog entered for competition and present at the Show may not be withdrawn from competition without the consent of the Councillor or Honorary Council Steward.
5. All dogs must be removed from the pavilion 30 minutes after approval has been granted to leave the pavilion on any day of judging.
6. Kennel signs will be limited to maximum of 60cm x 30cm displaying the name of the kennels and of the exhibit. Prize Cards and Ribbons won at the 2011 Royal Queensland Show may be displayed. Any other Breed Ribbons won outside of this Show can not be displayed without firstly obtaining the written consent of the Royal Queensland National Association.
7. Should any question arise for which no specific guidance is provided, the matter shall be referred to the Councillor or Honorary Council Steward whose decision on the matter shall be final.
8. All dogs must be securely benched. Not more than one exhibit may occupy any one bench without the permission of the Steward. A dog may not be placed on the bench so as to impair the view of the public, and no objects that will affect the view of the public may be added to the bench. Trolleys must not be used in lieu of a dog's allocated bench.
9. No dogs will be removed from the benches other than to be exercised or shown at any time without the authority of the Councillor or Honorary Council Steward.
10. It is an offence for any person to remove or alter the location of any exhibit from the benches allocated. Failure to observe this requirement may result in withdrawal of the exhibits and or exhibitors making the changes. You are required to seek prior approval from the Honorary Council Steward before any changes are made.

11. Best of Breed Certificates will be withheld and made available for collection on the last Saturday.
12. Prize ribbons will be awarded in each class on the following basis: First, Second and Third. Prize sashes will be awarded in Stake Classes for First Prize to Third Prize.
13. **Requests for special kennelling arrangements may be made where the following conditions apply:**
  - The exhibitor provides a medical certificate stating they must be benched downstairs,
  - The exhibitor has multiple breeds entered on the same day (to ensure all exhibits are benched in adjacent benches),
  - The exhibitor has dogs in partnership that should be benched in adjacent benches.

Benching requests covering the circumstances listed above should be submitted with the entries and provide all relevant information regarding the exhibits and exhibitors making the request.

All parties making the request for special kennel arrangements **must** indicate their agreement with the application. Request for special kennelling arrangements must be made separately for each Judging day. **This procedure must be followed as directed above otherwise your request will not be met.**

**Breeds will be allocated set areas of benching and on each day, exhibitors with their exhibits will be directed by Stewards into areas of benches designated for their breed. Each day a Steward will be given a number of breeds and the area of benches reflecting the number of exhibits entered on the day to be benched. Your joint cooperation is appreciated.**

14. Exhibitors will ensure that a standby handler is available should any Exhibitor be required in two rings or any one ring at the same time. Judging will NOT be held up in either ring. This is applicable to all breeds judging and handlers classes.
15. Any exhibit, if found to be entered in the wrong class, will be transferred to the open class.
16. Any exhibit incorrectly nominated on the Application to Enter form by an Exhibitor will be declared ineligible.
17. Exhibitors must wear only one exhibit number at 'any one' time on the left side whilst in the assembly area and judging ring. The Exhibitor must ensure they have the correct number of the dog as indicated in the catalogue.
18. No puppies under the age of 3 months are allowed on the Showgrounds. Any Exhibitor acting in contravention of this regulation will have all exhibits withdrawn from the Show.
19. Exhibitors travelling to attend this Show must gain permission from the Councillor or Honorary Council Steward to bench exhibits not entered on the day. Dogs **MUST NOT** be left unattended in cars or trailers on days they are not being shown.

20. All handlers must be registered with the Canine Control Council Queensland (CCCQ) or another state controlling body.

#### 21. USE OF TROLLEYS

Any Exhibitor bringing a trolley into the pavilion must fold it up when not in use or when requested to do so by a Steward or RNA attendant.

No trolleys are to block or hinder the public from using the passageways or inhibit free flow of other exhibitors/public.

**No dogs are to be left in Trolleys, whether attended or unattended without prior approval from Honorary Council Steward.**

Trolleys conforming to the following instructions are permitted in the assembly area:

- no obstruction will be permitted on the trolleys including the sides and top;
- all dogs within the trolleys must be clearly visible to the stewards at all times;
- when asked to remove a trolley the exhibitor/s must do so immediately without question or delay.
- Trolleys will not be left in the assembly ring unattended without the Honorary Council Steward's approval.
